

## Why volunteer with U3A? Without Volunteers there is no U3A.

Every U3A depends on volunteers for administrative and other duties. There are no paid positions at U3A Darebin; this helps to keep our subscription fees low. All tutors and class convenors are also volunteers. There are a range of activities which require a pool of volunteers either on a regular roster or on a casual basis in case of illness and holidays.

**Please indicate your area of interest: we will contact you.**

- Committee membership**
