## NOTES

The ride starts from Reservoir Railway Station. It is a 'There and Back' from Reservoir to Edwardes Park Lake and Edgar Creek Wetlands.

Start opposite Reservoir train station on South West corner of Spring/High and Edwardes St junction. The on-road bike path is narrow at first and starts just beyond the bus stop on the left hand side when facing west on Edwardes St. Head west along Edwardes St on-road bike path to reach the park.

When you reach the traffic lights at Griffiths/Spratling St cross to the park.

Here are several cycling options within the park, but the most interesting is the 'There-and-Back' trip to Edgars Creek Wetlands. Feel free to follow the ROUTE DIRECTIONS, or wander your own way - stop and take in the scenery.

Return to Reservoir Station via Edwardes St on-road bike path. Perhaps have coffee at Dimattina (in Edwardes St) on the way back or elsewhere in Reservoir.
